

The Project of CANN

Individual Contributor License Agreement (“Agreement”)

By signing this contributor license agreement, I understand and agree that this **Project** and **Contributions** to it are public and that a record of the **Contributions** (including all personal information I submit with it, including my name and email address) is maintained indefinitely and may be redistributed consistent with this project, compliance with the open source/open software license(s) involved, and maintenance of authorship attribution.

Thank you for your interest in the CANN **Project** ("CANN" or the "**Project**") incubated and hosted by Huawei Technologies Co., Ltd ("**Huawei**" or "**Us**" or "**We**"). **Huawei** is on behalf of the **Project**, and is also the legal entity that is making this **Agreement** with you.

In order to clarify the rights granted with **Contributions** from any person or entity, the **Project** must have a **Contributor License Agreement** (the "**Agreement**" or "**CLA**") on file that has been signed by each **Contributor**, indicating agreement to the license terms below. This **Agreement** is for **Your** protection as a **Contributor** as well as the protection of the **Project** and its users, however it does not change **Your** rights to use **Your** own **Contributions** for any other purpose.

This version of the **Agreement** allows an individual to submit **Contributions** to the **Project**, and to grant copyright and patent licenses thereto.

Please read this **CLA** carefully before completing and signing it, and keep a copy for **Your** records.

The rights that **You** grant to **Us** under these terms are effective on the date **You** first submitted a **Contribution** to CANN, even if **Your** submission took place before the date **You** agreed to these terms and conditions. Except for the license granted herein to the **Project** and recipients of the **Work** of the **Project**, **You** reserve all rights, title and interest in and to **Your Contributions**.

1. Definitions.

“**Project**” refers to the CANN **Project** incubated and hosted by the **Huawei**.

“**Contributor**” or “**You**” (or “**Your**”) shall mean the individual copyright owner or individual authorized by the copyright owner that is making this agreement with **Huawei**, and voluntarily submits a **Contribution** to the **Project**.

“**Contribution**” shall mean the code, documentation, or any original work of authorship, including a modification of or addition to an existing work, that is intentionally submitted by **You** for inclusion in the work of the **Project** (the “**Work**”). For the purposes of this definition, "submitted" means any form of electronic, verbal, or written communication sent to the **Project** or its representatives, including but not limited to communication on electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, the **Project** for the purpose of discussing and improving the **Work**, but excluding communication that is conspicuously marked or otherwise designated in writing by **You** as "Not a Contribution."

2. **Contributor** Grant of Copyright License.

By submitting a **Contribution**, **You** hereby assign to **Us** joint ownership of all right, title and interest in any worldwide copyright **You** have in the **Contribution**. **You** understand and agree that **Huawei** as the co-owners of the **Contribution** have the right to independently initiate litigation or take other legal actions to protect the **Contribution**.

Under this **Agreement**, you hereby grant **Us** and our affiliates a perpetual, worldwide, non-exclusive, royalty-free, sublicensable, irrevocable license to exercise the following rights:

- 1) Reproduce, use, modify, distribute, operate, and display **Your "Contribution"**;
- 2) Redistribute copies of **Your "Contribution"** or derivative works thereof to the public or to any third party, under appropriate license terms decided by **Huawei**

You hereby understand and agree that if one of **Us** makes a derivative work of **Your Contribution**, the one who makes the derivative work (or has it made) will be the sole owner of that derivative work.

3. **Contributor** Grant of Patent License

Subject to the terms and conditions of this **Agreement**, **You** hereby grant to the **Project**, and to all who directly or indirectly receive the **Work**, a perpetual, non-exclusive, worldwide, no-charge, royalty-free, irrevocable (except as stated in this section) patent license to make, have made, use, offer to sell, sell, import, and otherwise transfer the **Work**; provided, however, that such license applies only to those patent claims licensable by **You** that are necessarily infringed by **Your Contribution(s)** alone or by combination of **Your Contribution(s)** with the **Work** to which such **Contribution(s)** were submitted.

If any entity institutes patent litigation against **You** or any other entity (including a cross-claim or counterclaim in a lawsuit) alleging that **You** or such other entity has directly or contributorily infringed a patent as a result of some act of making, having made, using, offering to sell, selling, or importing **Your Contribution**, or the combination of **Your Contribution** with the **Work** to which **You** submitted the **Contribution**, then any patent license granted by **You** under this **CLA** to the entity instituting patent litigation shall terminate as of the date such litigation is filed.

Apart from the licenses granted in section 2 & 3, **You** reserve all right, title and interest in and to **Your Contribution**.

4. **You** represent that **You** are legally entitled to grant the licenses in section 2 and 3. If **Your** employer (s) has rights to **Your Contribution**, **You** represent that **You** have received permission to submit **Your Contribution** on behalf of that employer, that **Your** employer has waived such rights for **Your Contribution** to the **Project**, or that **Your** employer has executed a separate Corporate **Contributor License Agreement** with **Huawei**.

5. **You** represent that **Your Contribution** is **Your** original work (see section 7 for submissions on behalf of others). **You** represent that **Your** submission of **Your Contribution** includes complete details of any third-party license or other restriction (including, but not limited to, related copyrights, patents and trademarks) of which **You** are personally aware and which are associated with any part of **Your Contribution**, and that, to the best of **Your** knowledge, there are no such third-party licenses or other restrictions require disclosure in connection with **Your Contribution**, thereby enabling **Us** to assess compliance with these licenses and restrictions.

6. **You** are not expected to provide support for **Your Contributions**, except to the extent **You** desire to provide support. **You** may provide support for free, for a fee, or not at all. Unless required by applicable law or agreed to in writing and except as expressly set forth in this **CLA**, **You** provide **Your Contribution** on an “AS IS” BASIS, WITHOUT WARRANTIES OF ANY KIND, either express or implied, including, without limitation, any warranties or conditions of TITLE, NON-INFRINGEMENT, MERCHANTABILITY, or FITNESS FOR A PARTICULAR PURPOSE.

7. Should **You** wish to submit work that is not **Your** original work, **You** may submit it to the **Project** separately from **Your Contribution**, identifying the complete details of its origin and of any license or other restriction (including, but not limited to, related copyrights, patents and trademarks) of which **You** are aware, and conspicuously marking the work to show it has been submitted on behalf of a third party and the name of that party.

8. The information **We** provide in a private repository (if any) of the **Project** is confidential. **You** must treat such information as confidential under the terms of the applicable non-disclosure agreement (“**NDA**”) between **Us** and **You**, and fulfill **Your** obligations under the **NDA**. If **You** have not entered into an **NDA** with **Us**, **You** may not disclose, distribute or share any information in the **Project's** private repository (if any), unless you have obtained express written authorization from **Us** or **We** have disclosed such information to the public. If **You** breach **Your** confidentiality obligations under this section or the **NDA**, **We** have the rights to (1) obtain an injunction to terminate the breach that has occurred; (2) claim compensation from **You** for damages arising from such a breach, including but not limited to attorney's fees arising out of or in connection with **Your** breach of confidentiality obligations under this section.

9. **You** agree to notify the **Project** of any facts or circumstances of which **You** become aware that would make these representations inaccurate in any respect in time.
