

The Project of CANN

Corporate Contributor License Agreement ("Agreement")

Thank you for your interest in the **CANN Project** incubated and hosted by Huawei Technologies Co., Ltd ("**Huawei**" or "**us**"). **Huawei** is on behalf of the Project, and is also the legal entity that is making this **Agreement** with you. This version of the Agreement allows **You** to authorize designated employees to submit "**Contributions**" to the **Project** and grant corresponding copyright and patent licenses, with these employees typically having assigned their rights to the **Contributions** to **You** under their employment agreement with **You**.

In order to clarify the rights granted with **Contributions** from any person or entity, the **Project** must have a Contributor License Agreement (the "**Agreement**" or "**CLA**") on file that has been signed by each **Contributor**, indicating agreement to the license terms below. This **Agreement** is for **Your** protection as a **Contributor** as well as the protection of the **Project** and its users, however it does not change **Your** rights to use **Your** own **Contributions** for any other purpose.

Please read this **CLA** carefully before completing and signing it, and keep a copy for **Your** records.

The rights that **You** grant to **us** under these terms are effective on the date **You** and **Your** designated employees first submitted a **Contribution** to CANN, even if **Your** submission took place before the date **You** agreed to these terms and conditions. Except for the license granted herein to us, **You** reserve all rights, title and interest in and to **Your Contributions**.

1. Definitions.

"**Project**" refers to the **CANN Project** incubated and hosted by **us**.

"**Contributor**" or "**You**" (or "**Your**") shall mean the copyright owner or legal entity authorized by the copyright owner that is making this agreement with **us**, and voluntarily submits a **Contribution** to the **Project**. For legal entities, the entity making a **Contribution** and all other entities that control, are controlled by, or are under common control with that entity are considered to be a single **Contributor**. For purposes of this definition, "control" means (i) the power, direct or indirect, to cause the direction or management of such entity, whether by contract or otherwise, or (ii) ownership of fifty percent or more of the outstanding shares of such entity, or (iii) beneficial ownership of such entity.

"**Contribution**" shall mean the code, documentation, or any original work of authorship, including a modification of or addition to an existing work, that is intentionally submitted by **You** for inclusion in the work of the **Project** (the "**Work**"). For the purposes of this definition, "submitted" means any form of electronic, verbal, or written communication sent to the **Project** or its representatives, including but not limited to communication on electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, the **Project** for the purpose of discussing and improving the **Work**, but excluding communication that is conspicuously marked or otherwise designated in writing by **You** as "Not a Contribution."

2. Contributor Grant of Copyright License.

By submitting a **Contribution**, **You** hereby assign to **us** joint ownership of all right, title and interest in any worldwide copyright **You** have in the Contribution. **You** understand and agree that **Huawei** as the co-owners of the **Contribution** have the right to independently initiate litigation or take other legal actions to protect the **Contribution**.

Under this **Agreement**, **You** hereby grant **us** and our affiliates a perpetual, worldwide, non-exclusive, royalty-free, sublicensable, irrevocable license to exercise the following rights:

- 1) Reproduce, use, modify, distribute, operate, and display your **Contribution**;
- 2) Redistribute copies of your **Contribution** or derivative works thereof to the public or to any third party, under appropriate license terms decided by **Huawei**

You hereby understand and agree that if one of **us** makes a derivative work of your **Contribution**, the one who makes the derivative work (or has it made) will be the sole owner of that derivative work.

3. Contributor Grant of Patent License

Subject to the terms and conditions of this **Agreement**, **You** hereby grant to **us** a perpetual, non-exclusive, worldwide, no-charge, royalty-free, irrevocable (except as stated in this section) patent license to make, have made, use, offer to sell, sell, import, and otherwise transfer **the Work**; provided, however, that such license applies only to those patent claims licensable by **You** that are necessarily infringed by **Your Contribution(s)** alone or by combination of **Your Contribution(s)** with the **Work** to which such **Contribution(s)** were submitted.

If any entity institutes patent litigation against **You** or any other entity (including a cross-claim or counterclaim in a lawsuit) alleging that **You** or such other entity has directly or contributorily infringed a patent as a result of some act of making, having made, using, offering to sell, selling, or importing **Your Contribution**, or the combination of **Your Contribution** with the **Work** to which **You** submitted the **Contribution**, then any patent license granted by **You** under this **CLA** to the entity instituting patent litigation shall terminate as of the date such litigation is filed.

Apart from the licenses granted in section 2 & 3, **You** reserve all right, title and interest in and to **Your Contribution**.

4. **You** represent that **You** are legally entitled to grant the licenses in section 2 and 3. **You** represent further that each employee or individual designated by **You** on the **CLA Signing Platform** of the **Project** is authorized to submit **Contributions** on behalf of **You**.
5. **You** represent that **Your Contribution** is **Your** original work (see section 7 for submissions on behalf of others). **You** represent that **Your** submission of **Your Contribution** includes complete details of any third-party license or other restriction (including, but not limited to, related copyrights, patents and trademarks) of which **You** are aware and which are associated with any part of **Your Contribution**, and that, to the best of **Your** knowledge, there are no such third-party licenses or other restrictions require disclosure in connection with **Your Contribution**, thereby enabling **us** to assess compliance with these licenses and restrictions
6. **You** are not expected to provide support for **Your Contributions**, except to the extent **You** desire to provide support. **You** may provide support for free, for a fee, or not at all. Unless required by applicable law or agreed to in writing and except as expressly set forth in this **CLA**, **You** provide **Your Contribution** on an "AS IS" BASIS, WITHOUT WARRANTIES OF ANY KIND, either express or implied, including, without limitation, any warranties or conditions of TITLE, NON-INFRINGEMENT, MERCHANTABILITY, or FITNESS FOR A PARTICULAR PURPOSE.
7. Should **You** wish to submit work that is not **Your** original work, **You** may submit it to the **Project** separately from **Your Contribution**, identifying the complete details of its origin and of any license or other restriction (including, but not limited to, related copyrights, patents and trademarks) of which **You** are aware, and conspicuously marking the work to show "it has been submitted on behalf of a third party" and the name of that party.
8. It is **Your** responsibility to notify **us** when any change is required to the **Your** Point of Contact with the **Project**.
